

RENEGADE

craft

Renegade Craft is a curated marketplace of makers, doers, designers, and dreamers - a platform for the creative economy that fosters meaningful exchanges and inspiring connections.

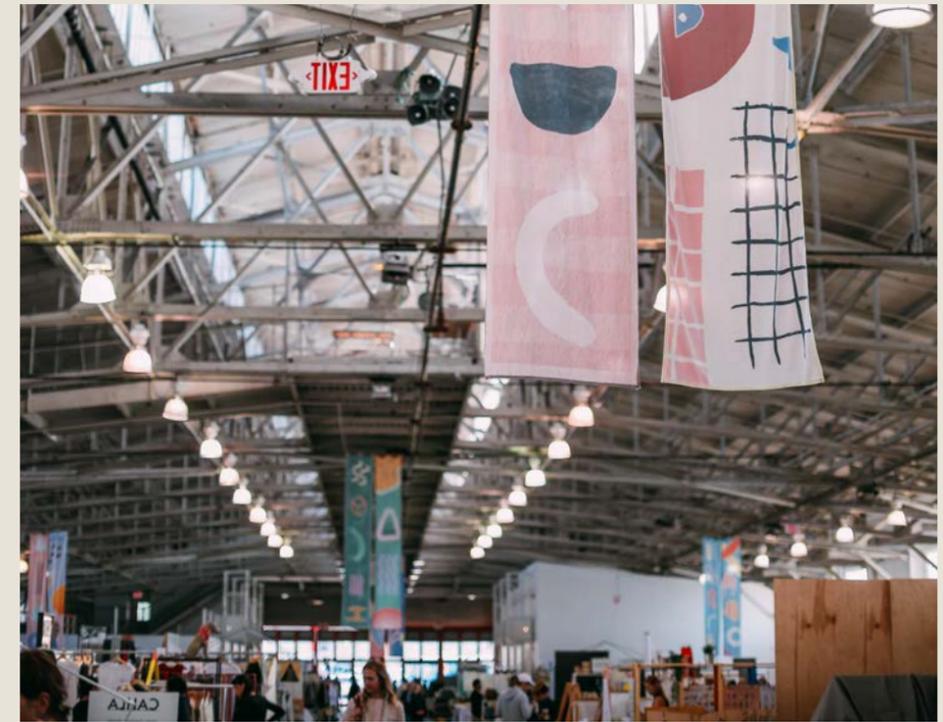

We're excited to collaborate with innovative artists, emerging designers, and engaging educators to create unique and immersive Fair experiences.

Experientials and Installations are an essential part of Renegade, from interactive workshops to creative projects. Attendees look forward to hands-on workshops, demonstrations, and games, as well as art installations that make each event a memorable and one-of-a-kind experience

EXPERIENTIAL

Experientials include a wide-range of activations, all of which put your work in front of an engaged and creative audience. By participating, Renegade is presenting your work not only to bustling and art-centric crowds, but also an awesome online following of 300k engaged fans and followers.

INSTALLATIONS

Renegade Craft takes place in beautiful, often historic, venues that make for perfect installation space all framed by a weekend celebration of craft and design. Renegade is excited to collaborate on ideas and activations, apply today and we'll help make your vision a reality!
